

Dear Kathikas Aloni Team,

We are just writing to say a great BIG THANKYOU for such a wonderful holiday last month. You came highly recommended from a friend and now we know why! ! You couldn't fault the location, the accomodation, the cleanliness and the hospitality we received, not to mention the added extra's of lovely pastries on our arrival, the smooth running of the car arrangements and little things like the video/games etc on free loan, for when the sun got too hot!! The maisonette was lovely and more than adequately equipped. The nearby restaurants were all excellent with some of the best holiday food we've ever tasted. The scenery was breathtaking, and nearby beaches really child friendly, especially Coral Bay. (Sandy and clean). We all had a fantastic time and only wish that we had booked to stay longer. We will certainly be recommending you to all our friends and look forward to seeing you again in the near future. Kind regards, Mark, Sue, May and Evie, Visit on July 23rd 2009

Dear Demetrios and Christina

It's hard to believe that only a few days ago we were still with you at Alone!! Now we are back in Scotland with wet and very windy weather. Me and my family wanted to thank you both so much for the wonderful manner in which we were received by yourselves – not forgetting 'Mama'. We were delighted with your excellent organisation in having the car waiting for us at the airport. These things made us feel very welcome and so glad to be there. Mama's generosity in providing us with Moussaka and pastries on our arrival and departure. Please do thank her on our behalf. Thanks also are due to 'Nana' for keeping everything so clean and helping us whenever necessary and she was a very friendly person. Thank also to Paul for his excellent hand over of the car at Paphos airport and his advice on places to eat etc. It was very much appreciated. Hopefully we will return to Cyprus sometime. Thanks also to Paul for his excellent hand over of the car at Paphos airport and his advice on places to eat and it was very much appreciated. Thank you all so much for making our holiday the great success it was.

Kind Regards

Nita Owen and Family

Dear Kathikas Aloni team,

We would like to thank all for making our holidays so enjoyable. Congratulations to all of you. Needless to say that you are all very professionals. Your personal involvement to all levels, from bookings to daily operations, is the ingredient which makes you different from other companies. Your continuous efforts to offer us high standard of services are very much appreciated and must be rewarded. Thank you all, mama, nana, demetrius, Christina and tommy. See you next year.

Dear Demetrios and Christina,

It's hard to believe that only a week ago we were still with you at Aloni! Now we are back in Scotland with snow not too far away! A big change indeed!

Michael and I just wanted to thank you both so much for the wonderful manner in which we were received by yourselves - not forgetting 'mama'. We were delighted with your excellent organisation in having the car waiting for us at the airport and in finding the key in the door and a light on to greet us when we turned up at such an unsociable hour of the morning. These things made us feel very welcome and so glad to be there.

Mama's generosity in providing us with 'moussaka' was very much appreciated, as was the delicious meal she cooked at our request and the wonderful pastries on our arrival and departure. Such a homely touch and a very welcoming one. Do thank her on our behalf. Thanks also are due to 'nana' for keeping everything so clean and helping us whenever necessary. The car was most satisfactory and certainly suited us very well. I hope all was in order when you collected it from the airport. Of course we found the apartment wonderfully equipped and very much a "home from home". Should we return to Cyprus we would wish

to stay nowhere else. Hopefully we will return sometime. In the meantime, thank you all so much for making our holiday the great success it was.

With kindest regards,

Yvonne Christie.

Scotland

Dear Demetrious

We arrived home safe and well late last night to a very wet and cold Scotland.

We would like to thank yourself and Christina for organising a very enjoyable and problem free holiday in Kathikas. Thanks also to Paul for his excellent hand over of the car at Paphos airport and his advice on places to eat. It was very much appreciated.

A very special thank you to MAMA for her excellent Mousakka and all the various pastries she so kindly made for us. Please convey our thanks to her as we unfortunately did not see her before we left.

Also thanks to Nana for keeping the maisonette and the complex so clean and tidy.

Thanks once again to you all and we hope to see you again in the not too distant future.

Kind Regards

David & Yvonne McGregor

"We have just returned from a wonderful relaxing two week stay at the Aloni Apartments located in the picturesque village of Kathikas.

We were made to feel very welcome by both Mama and Nana who look after the apartments. Nothing was too much trouble for either ladies who were very helpful and thoughtful. Nana and Mama will also cook you a delicious meal if required. We found the apartments very clean and comfortable equipped with everything that you may need right down to the pegs to hang the laundry. There was a very good selection of videos and books which were complimentary. The gardens were very nice and well maintained with fruit trees (which we were told to eat at will) and many different varieties of rose bushes in full bloom. The pool was a very welcome place to relax and cool down and each afternoon we sat around the pool chatting to the other guests, many who were frequent visitors of the Aloni Apartments. The village itself was very beautiful and only a short walk from the apartments. Most evenings we strolled pleasantly through the village where we were greeted by the locals and many times given fruit and invited in for coffee. The tavernas in the village were also first class for their delicious meals, service and atmosphere. It is very hard to describe the true beauty of the village from the rolling landscape with the vineyards throughout, the traditional stone houses to the ocean that meets the sky. Aloni Apartments management can also supply a hire car if needed. We had a very nice gentleman pick us up from Larnaca Airport and he drove us to his village where he handed the car over to us, not before inviting us in for coffee. For the return trip Demitrios drove us to Larnaca to catch our flight home, talk about service second to none. We would definitely recommend Aloni Apartments for both families or couples just wanting to get away for a relaxing holiday, away from the tourist hype, and to enjoy true Cypriot hospitality.

We definitely hope to return in the near future.

My wife and I have recently returned from our fourth visit to Kathikas Aloni Court and once again it was a wonderful experience. We think it improves with each visit. The gardens have matured and the terracing is an improvement. The accommodation is first class and is regularly cleaned and maintained to a high standard, as are the grounds and the swimming pool. Nothing is too much trouble for the owners or the staff who do their utmost to please all their guests. Car hire through Cydrive is excellent value and the vehicles are of a high standard. We have no hesitation in recommending these apartments (one or two bedroom) to anyone who wishes to be away from the more hectic tourist areas.

New web site looks good and true to life. Anyone looking at it can only be impressed.

experiencing here we hardly wait to see some sunshine!!!!
